- PostgreSQL
- Figma

LANGUAGES

English, Hindi

<Profile/>

Professional Summary

First-year engineering student and self-taught web developer, building with HTML, CSS, JavaScript and React, and moving into Node.js and backend fundamentals. Comfortable picking up new stacks fast and shipping complete, working projects rather than half-finished demos.

<Education/>

B.Tech — [Your College Name]

[City, State] · [Start Year] – Present · First Year
